

A word cloud featuring various research-related terms in different colors and orientations. The words are arranged in a circular pattern, with some words appearing more frequently or in larger fonts than others. The colors include shades of blue, green, orange, red, purple, and grey. The orientations vary, with some words rotated 90 degrees or more.

Words included in the word cloud:

- process
- project
- test
- health
- work
- model
- strategi
- review
- structur
- provid
- identifi
- perform
- system
- measur
- practic
